

HANDY BULK ACTIONS

Installation and configuration guide

Installation

Module is installed in a regular way. Simply upload your archive and click install. No any additional setup is required. Once module is installed, bulk action tools will be added to standard Back Office interface.

Bulk actions for products

Bulk action tools for products include **adding/removing** from selected categories, assigning **default category** and setting **base price**.

For example, you can select multiple products, and add all of them to category Dresses:

<input checked="" type="checkbox"/>	6		Printed Summer Dress	demo_6	Home	\$30.50	\$30
<input checked="" type="checkbox"/>	7		Printed Chiffon Dress	demo_7	Home	\$20.50	\$16
