Peggy Brewin Cooperative Preschool provides a safe, fun and enriching atmosphere for children, aged 3 to 5 years, preparing them for the transition to full-time school. Since 1971, our preschool has served generations of children in Wakefield and the surrounding communities.

Our preschool relies on fundraising efforts to keep the program running and to ensure that it remains available to families. One of our most important – and popular – fundraising events is our annual **Silent Auction** which will be held online this year.

If you would like to donate to the auction, please fill out and return the form below. Arrangements will be made for delivery or pick-up.

Thank you for supporting our preschool and its children!
