

HELP US REACH OUR GOAL

Support the Future
of Indigenous Youth

WHO we are.

We are a small group of Carleton University students pioneering a social action project to help meet needs within the community. We have partnered with a local Indigenous organization—**Aunties on the Road**—to address their current issue of lack of funding. Our project plan is to carry out a fundraising campaign via events and community outreach in order to reach our fundraising goal of \$4500, so that the Aunties can continue to serve in their community.

Aunties on the Road Indigenous Full Spectrum Doula Care is an Indigenous Grassroots Organization providing First Nations, Inuit and Métis youth between the ages of 12 - 30 with free reproductive and sexual health counselling and supports. The service spans the traditional territory of Algonquin and Mohawk peoples, from Pembroke to Ottawa to Cornwall, including local reserve communities. Culture based emotional, physical, mental and spiritual care within the full spectrum of sexual and reproductive health experiences is provided, offering support in the traditional role of Auntie, within Indigenous communities.

IN-KIND DONATIONS

We will also happily accept in-kind donations! These donations will either be used as raffle prizes at fundraising events, or will be donated to the clients of Aunties on the Road!

And I understood just
what we would do for each
other, just what we would
do for the ebb and pull
of the dream, the bigger
dream that held us all.
Anything. Everything.
